Assignment #1 BRIGHT Ethiopia students

- 1.1 Assess the current situation of the river basin that your group studies. Identify (a) the main current socio-economic contribution(s) of this basin, and (b) the basin's (distinctive) potential in the near future.
- 1.2 Critically assess the Table of Content of the existing (draft or final) river basin plan of the river basin that your group studies. As your group will be tasked to update that plan, do you have any comments or suggestions on the Table of Content?
